

## Who are we?

Southern Counties German Shepherd Rescue is a charity that provides care and shelter for stray, neglected and unwanted German Shepherd dogs (also known as Alsatians or GSDs). We never destroy a healthy dog, believing that a kind and permanent home exists for every dog whatever their temperament or disability. We always carefully match dogs to their new homes as we believe this is the key to ensuring a long-term, happy, fulfilled relationship between dog and owner.

Southern Counties GSD rescue was setup by Alison Jane Mills, and is run entirely by volunteers working from our base in Hampshire, who fit the rescue work around their normal work and other lives.

Our work is funded entirely by the generosity and kind donations of supporters and the general public.

## How to help!

### Help support a dog

You can help by donating to support a specific dog who is looking for a home. Some dogs need expensive medical treatment, and they all need feeding which isn't cheap! It costs us on average £500 per dog to rescue, treat, rehabilitate and re home a dog. We suggest a donation of £150 from new owners, so the shortfall is made up by donations and fundraising activities.

You can donate online using the donate button at the top of the website page, or send us a cheque made payable to Southern Counties German Shepherd Rescue. Any donation, no matter how small is welcome.

### Collecting tins

You can help by placing a collecting tin perhaps at your local vets, post office, pet shop or pub. We are able to provide labelled and sealed collecting tins for this purpose. Email us for details:
